## 1<sup>st</sup> Grade

First graders build on what they learned in Kindergarten to develop phonemic awareness, comprehension, and vocabulary. Students build a strong foundation in Math skills and concepts in ways that are fun and engaging.

# United Christian Academy Online Pathway

## 2<sup>nd</sup> Grade

Students become fully immersed in the world of independent reading and build a strong Math foundation through projects that mirror real-world applications.

# United Christian Academy Online Pathway

## 3<sup>rd</sup> Grade

Collaboration is integrated into lessons and projects. Learning will take place on a personal level cultivating a deeper understanding of subjects. The Singapore Math Method continues to build on concepts taught in Grade 2.

# United Christian Academy Online Pathway

## 4<sup>th</sup> Grade

Lessons guide students in applying concepts learned in fun and meaningful ways. Tips on differentiation are included so Learning Guides can adjust the lessons to accommodate students of different ability levels.

# United Christian Academy Online Pathway

## 5<sup>th</sup> Grade

Essential writing skills continue to be developed, including paragraph structure, outlining, and summarizing. In Social Studies, students investigate the history of the United States and their home state, from the Reconstruction Era through modern times.
