

Make A Change

Ahicom Children's Home is located in a rural town of Machaquilá, Guatemala, and has more than 50 at-risk orphans ranging from ages 1 to 18. Some of the children suffer from physical or mental disabilities. Each child at Ahicom receives a Christian education, food, housing and basic care. Ahicom is committed to sharing the love of Christ with children who have been abandoned or displaced because of violence. Ahicom provides a safe environment for children to grow in the Lord and break the cycle of violence and poverty.
